

Sebastian Kole - Remember Home (feat. Alessia Cara)

Tom: **F**

One million songs and counting **F Bb**
 A million miles I've come **Dm C**
 Oh one million eyes have called to me **F Bb**
 Still I remember home **Dm C**

Oh one thousand words stuck in my head **Bb**
 And a thousand towns I've gone **Dm**
 Oh one thousand ways for me to say **Bb**
 That I remember home **C F**

(Baby) **F C**
 Found a star to lead me back to you **F C**
 Shine's like you do **Dm**
 It shine's like you do **Bb**
 (Send my love) **F**
 Send my love so you won't feel alone **C Dm Bb**
 (Baby) as soon as I can, oh, I'm coming home **F C Dm Bb**

Oh one hundred nights I've dreamed of you **F Bb**
 A hundred visions strong **C Dm**
 Oh one hundred times I've cried for you **F Bb**
 When I remember home **C Dm**

Oh, found a star to lead me back to you **F C**

Shine's like you do **Dm**
 It shine's like you do **Bb**
 (Send my love) **F**
 Send my love so you won't feel alone **C Dm**
 As soon as I can, oh **Bb**
 (Oh you know that) I'm coming home **Dm**

Nights so empty **C**
 I'm wondering if you miss me **Bb F**
 So baby, I'm coming home **Dm**
 Yeah... **C**
 Nights so lonely **Bb C**
 I need you to hold me **Bb C**
 So baby, I'm coming home **F C**

(I found a star) Found a star to lead me back to you **F C**
 Shine's like you do **Dm**
 It shine's like you do **Bb**
 (Send my love) **F**
 Send my love so you won't feel alone **C Dm Bb**
 (Baby) as soon as I can, oh, I'm coming home **F C Dm Bb**

As soon as I can, oh, I'm coming home **Bb C**
 Soon as I can....soon as I can **Dm**
 Oh, I'm coming home **C F**
