

# Secret Garden - Raise Your Voices

tom:

F

Raise your voices, raise your voices

Praise to Him thy living word

To the Heavens high ascending

Raise your voices to the Lord

Though your nights be dark and fearful

Though we face the dimming day

Though the heart be sad and tearful

Trust Him, He will light the way

Raise your voices, raise your voices

Praise to Him the living word

To the Heavens high ascending

Raise your voices to the Lord

Through the mists in this vale of sorrow

Through the glass we but darkly see

We will rise again tomorrow

Then our eyes will lifted be

Raise your voices, raise your voices

Praise to Him the living word

To the Heavens high ascending

Raise your voices to the Lord
