

Seether - Breakdown (Acústico)

tom: G

The sun is gone and the flowers rot
 Words are spaces between us
 And I should have been down in the rivers I found of token
 lost
 And I should have been down when you made me insecure
 So break me down if it makes you feel right
 And hate me now if it keeps you alright
 You can break me down if it takes all your might
 Cause I'm so much more than meets the eye
 (Dm C)

And I'm the one you can never trust
 Because wounds are ways to reveal us
 Bb

Acordes

And yeah I could have tried and devoted my life to both of us
 But what a waste of my time when the world we had was yours

So break me down if it makes you feel right
 And hate me now if it keeps you alright
 You can break me down if it takes all your might
 Cause I'm so much more than all your lies
 (Bb Dm)
