Verse 1&2- I think every other time he plays (0h3p0)

d d d d d  
This is how I suggest strumming it

Lyrics for verse:  
Vacate is the word...vengeance has no place so near to her  
Cannot find the comfort in this world  
Artificial tear...vessel stabbed...next up volunteers  
Vulnerable wisdom can't adhere...

Chorus:

**C** **Em**  
A truant finds home...  
**C** **Em**  
and I will to hold on...  
**C** **A** **D**  
But there's a trapdoor in the sun...

Solo-just strum the verse

Verse 2-  
As privileged as a whore...victims in demand for public show  
Swept out through the cracks beneath the door  
Holier than thou how?  
Surrendered...executed anyhow  
Scrawl dissolved, cigar box on the floor...

Solo 2- Mess around with C,Em,D and A in that order

Verse 3-  
I cannot stop the thought of running in the dark  
coming up a which way sign  
all good truants must decide

Bridge-

**C** **Em**  
Sstripped and sold mom  
**C** **Em**  
an auctioned forearm  
**C** **A** **D**  
and whiskers in the sink  
**C** **Em**  
A truant finds his home  
**C** **Em**  
And a will to hold onto  
**C** **A** **D**  
some die just to live...

ohh...

Outro-I know this isn't exact but its close

That took a long time
