I am a perfect sale, just wrap me up with ur a bow and flowers.  
I will neglect to tell, i'll sell your story that we love each other.

Someday i know i'll find my place, someday i know this pain will fade.  
Someday i know i'll find my place, someday i'll sing my last rephrase.

(G Am )

Why don't let me be, and i'll pretend i'm well.  
Cuz ur blind to see, and i'm too tired to tell.  
And in ur apathy, u head begins to swell.  
Another tradegy, but ur too cold to feel.

Someday i know i'll find my place, someday i know this pain will fade.  
Someday i know i'll find my place, someday i'll sing my last rephrase
