

Seether - Rise Above This

Tom: **G**

Standard halftone lowered (Esta música é tocada meio tom abaixo)

D
Take the night and darken everything around me,
G
Call the clouds, and listen closely, I'm lost without you

D
Call your name everyday, when I feel so helpless
G
I'm fallen down, but I'll rise above this, rise above this

D
Hate your mind, regrets are better left unspoken
G
For all we know this void will grow, and
D
everything's in vain, distressing you don't leave me open,
G
Feels so right that I'll end this all before it gets me

D
Call your name everyday, when I feel so helpless
G

I'm fallen down (fallen down) but I'll rise above this, rise above this

D
Call your name everyday when I seem so helpless
G

I'm fallen down (fallen down) but I'll rise above this, rise above this now

D
I'll mend myself before it gets me...
I'll mend myself before it gets me...
I'll mend myself before it gets me...
I'll mend myself before it gets me...

D
Call your name everyday, when I feel so helpless
G
I'm fallen down (fallen down) but I'll rise above this, rise above this

D
Forty eight ways to say that I'm feeling helpless
G
Fallen down, and I'll

G
Rise above this, rise above this,
G
Rise above this, rise above this now.
