

Seether - Walls Come Down

tom:
 Eb (forma dos acordes no tom de D)
 Capotraste na 1ª casa
 Intro: G A Bm D
 G A Bm D

G Bm
 I still remember the day that you entered my world
 G Bm
 Filled with splendour, a light in the darkness unfurled
 G Bm
 Well, I figured it out, the louder they shout the more I fall
 G Bm
 I'm reliving it now, the essence of how I lose this all
 G A Bm D
 So take this doubt and grant me something more
 G A Bm D
 I won't last without a reason to endure
 G Bm
 For now and ever I can't help but get in my way
 G Bm
 I feel the pressure, the imminent cloud of dismay
 G Bm
 Well the quicker I find the peace in my mind then I'll feel
 sane
 G Bm
 But the thicker the grime, the deeper the shine I can't
 reclaim
 G A Bm D
 So take this doubt and grant me something more
