

Selena Gomez - Anxiety (feat. Julia Michaels)

Tom: **G**

My friends, they wanna take me to the movies
 I tell 'em to fuck off, I'm holding hands with my depression
 And right when I think I've overcome it
 Anxiety starts kicking in to teach that shit a lesson
 Oh, I try my best just to be social
 I make all these plans with friends and hope they call and cancel
 Then I overthink about the things I'm missing
 Now I'm wishing I was with 'em
 Feel like I'm always apologizing for feeling
 Like I'm out of my mind when I'm doing just fine
 And my exes all say that I'm hard to deal with
 And I admit it, yeah
 But all my friends, they don't know what it's like, what it's like
 They don't understand why I can't sleep through the night
 I've been told that I could take something to fix it
 Damn, I wish it, I wish it was that simple, ah
 All my friends they don't know what it's like, what it's like
 Always wanted to be one of those people in the room
 That says something and everyone puts their hand up
 Like: If you're sad put your hand up
 If you hate someone, put your hand up
 If you're scared, put your hand up
 Feel like I'm always apologizing for feeling
 Like I'm out of my mind when I'm doing just fine

And my exes all say that I'm hard to deal with
 And I admit it, it's true
 But all my friends, they don't know what it's like, what it's like
 They don't understand why I can't sleep through the night
 I've been told that I could take something to fix it
 Damn, I wish it, I wish it was that simple, ah
 All my friends they don't know what it's like, what it's like
 I got all these thoughts running through my mind
 All the damn time and I can't seem to shut it off
 I think I'm doing fine most of the time
 I think that I'm alright, but I can't seem to shut it off
 I got all these thoughts running through my mind
 All the damn time and I can't seem to shut it off
 I think I'm doing fine most of the time
 I say that I'm alright, but I can't seem to shut it off
 Shut it, shut it, yeah
 But all my friends, they don't know what it's like, what it's like
 They don't understand why I can't sleep through the night
 I've been told that I could take something to fix it
 Damn, I wish it, I wish it was that simple, ah
 All my friends they don't know what it's like, what it's like
 Li-i-i-i-ike
 What it's like, what it's like
 Hmm-mm-mm, mmm
 What it's like
 (I love this song)
