                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        You and me bleed the same light
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          [Terceira Parte]
           I want you to know that it's our time
You and me bleed the same light
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   I'm better under your reflection
         I want you to know that I'm all yours % \left\{ 1,2,\ldots ,n\right\} =\left\{ 1,2,\ldots 
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   But did you know did you know did you know know?
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               That's anybody else that's met ya
You and me run the same course
 [Primeira Parte]
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 It's all the same all the same glow
         I'm slippin down a chain reaction
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        Honey it's raining tonight
           And here I go here I go here I go go
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   But storms always have an eye have an eye
         And once again I'm yours in fractions
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 Tell me you're covered tonight
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 Or tell me lies tell me lies lies
       It takes me down pulls me down pulls me down low
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          [Refrão]
 [Segunda Parte]
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             I want you to know that it's our time
Honey it's raining tonight
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        You and me bleed the same light
           But storms always have an eye have an eye
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 I want you to know that I'm all yours % \left\{ 1,2,\ldots ,n\right\}
       Tell me you're covered tonight
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          You and me we're the same force
         Or tell me lies tell me lies lies
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   I want you to know that it's our time
   [Refrão]
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          You and me bleed the same light
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 I want you to know that I'm all yours
       I want you to know that it's our time % \left( 1\right) =\left( 1\right) \left( 1\right) \left
You and me bleed the same light
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          You and me run the same course
         I want you to know that I'm all yours % \left\{ 1,2,\ldots ,n\right\} =\left\{ 1,2,\ldots 
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          (Am Em F G)
You and me we're the same force
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          [Refrão]
         I want you to know that it's our time
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 I want you to know that it's our time
You and me bleed the same light
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        You and me bleed the same light
