

Selena Gomez - My Dilemma

Tom: G

Verso 1:

you make me so upset sometimes
I feel like I could lose my mind
the conversation goes nowhere
cause you never gonna take me there
and I know what I know
and I know you're no good for me
yeah, I know, what I know
and I know it's not meant to be

Refrão:

here's my dilemma
one half of me wants you
and the other half wants to forget
my my my dilemma
from the moment I met you
and I just can't get you out of my head
and I tell myself to run from you
but I found myself attracted
to my dilemma my dilemma
it's you it's you

Verso 2:

you eyes have told a thousand lies
but I believe them when they look in mine
I heard the rumours but you won't come clean
I guess I'm hoping it's because of me
yeah I know, what I know
and I know it's not meant to be

Refrão:

here's my dilemma
one half of me wants you
and the other half wants to forget
my my my dilemma
from the moment I met you
and I just can't get you out of my head
and I tell myself to run from you
but I found myself attracted
to my dilemma my dilemma
it's you it's you

Ponte:

I could live without you
your smile your eyes
the way you make me feel inside
I could live without you
but I don't wanna
I don't wanna
you make me so upset sometimes

Refrão:

here's my dilemma
one half of me wants you
and the other half wants to forget
my my my dilemma
from the moment I met you
and I just can't get you out of my head
and I tell myself to run from you
but I found myself attracted
to my dilemma my dilemma
it's you it's you
