tom:

C

[Primeira Parte]

C
Baby

Bb
You've been so distant from me lately

C
And lately

Bb
Don't even wanna call you baby

C
Saw us getting older (older)

Burning toast in the toaster

Bb
My ambitions were too high

C
Waiting up for you upstairs (upstairs)

Why you act like I'm not there?

Bb
Baby, right now it feels like

[Refrão]

C
It feels like you don't care
Why don't you recognize

Bb
I'm so rare?

C
Always there
You don't do the same for me

Bb
That's not fair

C
I don't have it all

I'm not claiming to

Bb
But I know that I'm special

So special, yeah
And I bet there's somebody

C
Else out there

Bb
To tell me I'm rare

To make me feel rare

[Segunda Parte]

C
Baby

Don't make me count up

Bb
All the reasons to stay with you

C
No reason

Bb
Why you and I are not succeeding?

Uh uh, mm, uh uh

[Terceira Parte]
