

Selena Gomez - Rare

```
tom:
            [Primeira Parte]
C
Baby
                               Bh
You've been so distant from me lately
And lately
Don't even wanna call you baby
Saw us getting older (older)
Burning toast in the toaster
 My ambitions were too high
Waiting up for you upstairs (upstairs)
Why you act like I'm not there?
 Baby, right now it feels like
[Refrão]
It feels like you don't care
Why don't you recognize
I'm so rare?
Always there
You don't do the same for me
That's not fair
         C
I don't have it all
I'm not claiming to
But I know that I'm special
So special, yeah
And I bet there's somebody
Else out there
To tell me I'm rare
To make me feel rare
[Segunda Parte]
Baby
Don't make me count up
        Bb
All the reasons to stay with you
No reason
Why you and I are not succeeding?
Uh uh, mm, uh uh
[Terceira Parte]
 Saw us getting older (older)
Burning toast in the toaster
 My ambitions were too high
```

 I'm not gonna beg for you
Not gonna let you make me cry
(Ah, nah nah, make me cry)
 Not getting enough from you (no-oh)
Didn't you know I'm hard to find?
(Find, hard to find)
