

Selena Gomez - Revival

Tom: **E**
Intro: (Spoken, no chords)
I dive into the future, but I'm blinded by the sun.
I'm reborn in every moment, so who knows what I'll become.

Interlude: **Dbm** - **Gbm**

Verse:
I feel like I've awakened lately,
the chains around me are finally breaking.
I've been under self restoration,
I'm becoming my own salvation.
Showing up, no more hiding, hiding,
the light inside me is bursting, shining.

Pre-chorus:
It's my, my, time to butterfly.
All of work, is so hard earned,
More than just survival this is my revival,
this is a revival.

Chorus:
Oh-oh-oh-oh, oh-oh-oh-oh,
Oh-oh-oh-oh, Oh-oh-oh-oh, Revival.
Oh-oh-oh-oh, oh-oh-oh-oh,
Oh-oh-oh-oh, Oh-oh-oh-oh, Revival.

Verse 2:
I walk through the fire, I begin again.
I burn through my skin 'cause I, cause I learned to feel it.
Reaching for the truth, not afraid to lose,
But shout out at me like a rifle, was a revival, revival.
Yeah, yeah, yeah, yeah, yeah, yeah, yeah.

Pre-chorus:
I admit that it's been painful, painful,

But I'll be honest I'm grateful, grateful.
It's my, my, time to realize,
All of love, is so fired on,
More than just survival this is my revival,
this is a revival.

Chorus:
Oh-oh-oh-oh, oh-oh-oh-oh,
Oh-oh-oh-oh, Oh-oh-oh-oh, Revival.
Oh-oh-oh-oh, oh-oh-oh-oh,
Oh-oh-oh-oh, Oh-oh-oh-oh, Revival.

Bridge:
This won't take too long you'll see,
I'm just tryna get to me, Oooh.
But shout out at me like a rifle.
Was a revival, revival

All of love, is so fired on
More than just survival this is my revival,
