

Selena Gomez - Sad Serenade

```
A sad, sad serenade.
                                           D )
 (com acordes na forma de
                                                             Sad serenade, for every broken heart tonight.
Capostraste na 3ª casa
 Bm G
Happier times,
                                                             All the love that we made,
Flash through my mind. $\operatorname{\textsc{Bm}}$
                                                             D A
Turn it up, let it play
We both say it's over and
                                                                   Bm
                                                            A sad, sad serenade,
I believe it this time.
   Bm G
                                                             Sad serenade (serenade).
All the pain that I hide,
    D
                                                             Eeeeeeeeeh
Let it play through the night.
  Вт
                                                             The more you love, the more it hurts,
A sad, sad serenade. _{\hbox{\scriptsize G}}
                                                             When it ends, when it's over
Sad serenade, we almost got it right.
   Bm
                                                             All that's left are the memories
A sad, sad serenade.
                                                             A
Playing over, and over.
D
                    D
Sad serenade, for every broken heart tonight.
                                                             In your head, in your heart,
All the love that we made,
                                                             Turn it up, make it stop.
 D A
Turn it up, let it play
Bm
                                                             Tonight, all over the world,
A sad, sad serenade,
                                                             The most beautiful song ever heard,
Sad serenade (serenade).
                                                             Is a sad, sad serenade.
                                                             G D
Eeeeeeeeeh
                                                             Sad serenade, we almost got it right.
Bm G D
                                                              Bm
I won't regret what I won't forget Bm G
                                                             A sad, sad serenade.
Bm
Memories and your number,
D
A
Are all I have left.
G
                                                              Ğ
                                                             Sad serenade, for every broken heart tonight.
                                                              Bm
                                                             All the love that we made, \frac{D}{A}
I wish you the best, I really do,
                                                             Turn it up, let it play
Even though I know that I'm still not over you.
                                                                       Bm
                                                             A sad, sad serenade,
I know that we both are to blame,
                                                              G D
                                                             Sad serenade.
I can't believe, you didn't fight harder for me.
                                                              Bm
                                                             A sad, sad serenade,
It's a sad, sad serenade. \frac{G}{D}
                                                             Sad serenade (serenade).
Sad serenade, we almost got it right.
                                                             Eeeeeeeeeh
