

Selena Gomez - Save The Day

Tom: F
Intro: Dm

Dm
Kiss the moon goodbye

But don't close your eyes, your eyes
Dm
It's the end of the night

But the beginning of time, for you and I
C Bb
I cant believe that my body is still moving, I
C Dm
It makes me feel like we're doing something right.
Bb C

Baby when the night starts slipping
Dm
When the night starts slipping
F Bb
When the night starts slipping away

Boy you keep my heartbeat skipping
Dm
When you touch me even though
F Bb
The time is ticking away
Dm C
Just tell me it's not over
F G
And we'll never reach the end
Dm C
But when the night starts slipping away,

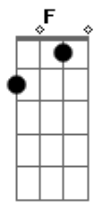

Save the Day
Dm
De de de de de de day
Bb
De de de de de de day
C
De de de de de de day

Dm
Save the Day

Dm
Yeah we're still wide awake
C
Got me losing my mind, my mind
Dm
No, it's never too late,
C
Put your lips on mine
Bb
In the burning sunlight, I
C
I cant believe that my body is still moving, I
Dm Bb C
It makes me feel like we're doing something right.
Dm
