Chills

[Primeira Parte]

New York back in August, tenth-floor balcony
Smoke is floating over Jane and Greenwich street
Goosebumps? from? your wild eyes ?when they're watching me
Shivers dance down? my spine, head down to my feet

[Pré-Refrão]

Swimming in your eyes, in your eyes, in your eyes

Egyptian blue

Something I've never had without you

[Refrão]

You're giving me chills at a hundred degrees
It's better than pills how you put me to sleep
Calling your name, the only language I can speak
Taking my breath, a souvenir that you can keep

Giving me chills
Chills

[Segunda Parte]

Sunset Tower lobby, waiting there for me
In the elevator, fumble for your key
Kissed in every corner, Presidential Suite
Opened that Bordeaux from 1993

[Pré-Refrão]

Swimming in your eyes, in your eyes, in your eyes

Egyptian blue

Something I've never had without you

[Refrão]

You're giving me chills at a hundred degrees
It's better than pills how you put me to sleep
Calling your name, the only language I can speak
Taking my breath, a souvenir that you can keep

Giving me chills

[Ponte]

Take my, take-take my breath away just like
Take my breath away just like a souvenir
Take my, take-take my breath away just like
Take my breath away just like a souvenir

[Refrão]

You're giving me chills at a hundred degrees (a hundred)
It's better than pills how you put me to sleep (puts me, yeah)
Calling your name, the only language I can speak
Taking my breath, a souvenir that you can keep
Giving me chills

Take my, take-take my breath away just like (you're giving me chills)

Take my breath away just like a souvenir

Giving me chills

Take my, take-take my breath away just like (you're giving me chills)

Take my breath away just like a souvenir
