

# Selena Gomez - Souvenir

tom:  
 Capostrate na 1ª casa

Ab (forma dos acordes no tom de G )

New York back in August, 10th floor balcony  
 Smoke is floating over Jane and Greenwich street  
 Goosebumps from your wild eyes when they're watchin' me  
 Shivers dance down my spine and head down to my feet

Swimming in your eyes, in your eyes, in your eyes  
 Egyptian blue  
 Something I've never had without you

You're giving me chills at a hundred degrees  
 It's better than pills how you put me to sleep  
 Calling your name, the only language I can speak  
 Taking my breath, a souvenir that you can keep  
 Giving me chills  
 Chills

Sunset Tower lobby, waiting there for me  
 In the elevator, fumble for your key  
 Kissed in every corner, Presidential Suite  
 Opened that Bordeaux from 1993

Swimming in your eyes, in your eyes, in your eyes  
 Egyptian blue

Something I've never had without you

You're giving me chills at a hundred degrees  
 It's better than pills how you put me to sleep  
 Calling your name, the only language I can speak  
 Taking my breath, a souvenir that you can keep  
 Giving me chills

Take my, take-take my breath away, just like  
 Take my breath away, just like a souvenir  
 Giving me chills

Take my, take-take my breath away, just like  
 Take my breath away, just like a souvenir

You're giving me chills at a hundred degrees  
 It's better than pills how you put me to sleep  
 Calling your name, the only language I can speak  
 Taking my breath, a souvenir that you can keep  
 Giving me chills

Take my, take-take my breath away, just like  
 Take my breath away, just like a souvenir  
 Giving me chills

Take my, take-take my breath away, just like  
 Take my breath away, just like a souvenir

## Acordes
