

# Selena Gomez - Stars Dance

Tom: **G**

Intro: **C Em**

Wake up to your dreams **C**  
 And watch them come true **Em**  
 I'll make you whisper my name, i'll never leave the room **C Em**  
 Night and day, i'll be your muse **C Em**  
 No other girl can make you feel the way I do **Em**

I can make the stars dance **C**  
 Light up the moon, I can make the stars dance **Em C**  
 If you want me to **Em**  
 The sky is everywhere, so meet me under it **C Em**  
 I can make the stars dance dance dance with you **Bm Em**

Don't be afraid, close your eyes **C Em**  
 Let me take you to places that you've never been tonight **C Em C**  
**Em** I thought by now you'd realize I can do anything I put my mind to

I can make the stars dance **C**  
 Light up the moon, I can make the stars dance **Em C**  
 If you want me to **Em**

**C** The sky is everywhere, so meet me under it **Em**  
 I can make the stars dance dance dance with you **Bm Em**  
 Everything I touch turns to love **C D Em**  
 Everything I do will open up heaven **C D Em**  
 It's dead steady, there's falling and flying in love **C D**  
 Nothing's forever because we are just stardust **Em C D Em**

I can make the stars dance **C**  
 Light up the moon, I can make the stars dance **Em C**  
 If you want me to **Em**  
 The sky is everywhere, so meet me under it **C Em**  
 I can make the stars dance dance dance with you **Bm Em**

I can make the stars dance **C**  
 I can make the stars **Em C**  
**Em** I can make, I can make, I can make, I can make, I can make the stars dance

**C** The sky is everywhere, so meet me under it **Em**  
 I can make the stars dance dance dance with you **Bm Em**
