

Selena Gomez - The Way I Loved You

Tom: C

^C
Everything's cool, yeah
^G
It's all gonna be okay, yeah

And I know,
^{Am}
Maybe I'll even
^C
laugh about it someday
^G
But not today, no
^C
Cause I don't feel so good
I'm tangled up inside

My heart is on my sleeve
^{Am}
Tomorrow is a mystery to me

(refrão)
^G
And it might be wonderful
^{Am}
It might be magical
^G
It might be everything I've waited for,
^{Am}
A miracle
^G
Oh, but even if I fall in love again
^{Em7}
with someone new
^C
It could never be the way I loved you
^{C G C G}

^C
Letting you go is
^G
making me feel so cold, yeah
^{Am}
And I've been trying to make
^C
believe it doesn't hurt
^G
But that makes it worse, yeah
^C
See, I'm a wreck inside
My tongue is tied and my

whole body feels so weak
^{Am}
The future may be all I really need
^D
(refrão)
^G
And it might be wonderful
^{Am}

the one and only true love

Like something pure and holy
^C
Like something that can never be replaced
