

# Selena Gomez - Wild Love

tom:

Am  
Fire, it could go and burn you out  
Am F C  
A broken hourglass, scattered pieces on the ground  
Am F C  
Desire, It could leave you reachin' out  
Am F C  
With nothing left, just ashes to be found

G Am F  
I watch you walk away, and that's okay  
G Am F  
'Cause love is never promised anyway, anyway

C G Am  
It's just wild love  
F  
Can make you act like a maniac  
C G Am  
Wild love  
F  
You run away, then you're running back  
C G  
It's so strange, can't explain  
F  
This selfish game  
C G Am  
It's just wild love

Am F C  
We were flyin', faster than the speed of sound  
Am F  
I went left, you went right, but the heavy winds brought us down  
Am F C  
Do you ever wonder how chaos, it works out  
Am F C  
In the sea of confusion, happiness and doubt

G Am F  
I watch you walking out, and that's okay  
G Am  
I guess as long as you got a heart, you got something to

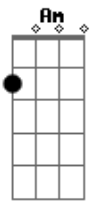

break, to break

C G Am  
It's just wild love  
F  
Can make you act like a maniac  
C G Am  
Wild love  
F
