

Sensação - Oyá (Canção de Oração)

Oyá

É o povo de cá pedindo pra não sofrer

Nossa gente ilhada precisa sobreviver

E levantam-se as mãos, pedindo pra Deus, Oyá

Já não se vive sem farinha e pirão não há

Não ha___veria motivos pra gente desanimar

Se houvesse remédio pra gente remediar

Já vai longe a procura da cura que vai chegar

Lá no céu de Brasília estrelas irão cair

E a poeira de tanta sujeira há de subir

Oyá

Será que a força da fé que carrega nosso viver

Pode mover montanhas e joga dentro do mar

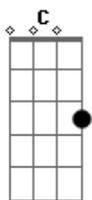

Tanta gente de bem que só tem mal pra dar

Será que a força da fé que carrega nosso viver

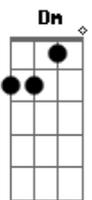

Pode mover montanha pra gente poder passar

É a nossa oração pedindo pra Deus. Oyá
