

Seph Schlueter - Counting My Blessings

tom:
G

It's like it was yesterday
D Em
I was praying for a miracle
D
Scared to have a little hope
G
And now looking back today
D Em
Seeing all the things You've done
I can't even add them up
G
One, two, three
D
Up to infinity
Em
I'd run out of numbers
C
Before I could thank You for everything
G
God, I'm still counting my blessings
D
All that you've done in my life
Em
The more that I look in the details
C
The more of Your goodness I find
G
Father on this side of Heaven
D
I know that I'll run out of time
C
But I will keep counting my blessings
D C
Knowing I can't count that high
G
And I know the season never lost forever
D G
So God, I will remember
D Em
All of the reasons my heart has to be grateful
C
All the times You've been faithful to me
G
God, I'm still counting my blessings

D
All that you've done in my life
Em
The more that I look in the details
C
The more of Your goodness I find
G
Father on this side of Heaven
D
I know that I'll run out of time
C
But I will keep counting my blessings
D G
Knowing I can't count that high
G
Oh, I can't count that high
D
I can't fathom your goodness to me
Em
Oh, I can't count that high
C
Oh your goodness is more than I dream
G
One, two, three
D
Up to infinity
Em
I'd run out of numbers
C
Before I could thank You for everything
G
God, I'm still counting my blessings
D
All that you've done in my life
Em
The more that I look in the details
C
The more of Your goodness I find
G
Father on this side of Heaven
D
I know that I'll run out of time
C
But I will keep counting my blessings
D Em
Knowing I can't count that high
C
But I will keep counting my blessings
D G
Knowing I can't count that high
