

## Seph Schlueter - No Distance // Emmanuel

```
Conquered the grave
                            tom:
                A (forma dos acordes no tom de G )
                                                                [Quarta Parte]
Capostraste na 2ª casa
                                                                High
            [Primeira Parte]
                                                                Hands lifted high i will worship with all
n
                                                                Of my strength
Hope
Hope is the song that you're playing
                                                                Find
Inside of our hearts
                                                                Find me right where i belong with you all
You spoke
                                                                Of my days
   Em
                                                                [Refrão]
And space was erased
You are close like the sky to the stars
                                                                There is no distance existing in your eyes
[Segunda Partel
                                                                You come in close like the sky to the sunrise
D
                                                                Crashing through darkness to bring me to your light
I am known and i'm loved by the god who
                                                                Emmanuel
Would bleed out for me
                                                                Whenever i hide you will always go seeking
Home
                                                                Ready or not, here you come in to meet me
  Fm
I'm home in the arms of the one who has
                                                                You fight for my heart and you give me the victory
Come set me free
                                                                Emmanuel
[Refrão]
                                                                [Ponte]
                                                                    Em G
There is no distance existing in your eyes
                                                                You are closer than breath in our lungs
You come in close like the sky to the sunrise
                                                                I am here in the heartbeat of love
Crashing through darkness to bring me to your light
                                                                We are saved by your body and blood
                                                                C Em G
Emmanuel
                                                                Jesus, our god is here with us
                                                                C Em G
Whenever i hide you will always go seeking
                                                                Oh, jesus, our god is here with us
Ready or not, here you come in to meet me
                                                                [Refrão]
               Em
You fight for my heart and you give me the victory
                                                                There is no distance existing in your eyes
                                                                You come in close like the sky to the sunrise
[Terceira Parte]
                                                                Crashing through darkness to bring me to your light
I am alive there's an empty tomb where i
                                                                Whenever i hide you will always go seeking
Once laid
                                                                Ready or not, here you come in to meet me
                                                                You fight for my heart and you give me the victory
Fade into dust at the king who has
                                                                Emmanuel
