LYRICS:

Verse:

Each time I pull it apart
I get disgusted can't do it today
On the [looks] it's so good
That a man would kill for it
To lie just a little bit...

Each time I pull it apart
Get disgusted can't do it today
On the [looks] it's so good
To lie just to live

Chorus (I have no clue if this is right):

[Take it]
[You'll like it]
[Just take me away]
[Hate me]
[Just save me]
[And I'll be (sweetened/just fine)]
