

Sepultura - Old Earth

Tom: **Gb** i will work on the whole song later

OLD EARTH
Against

time : 3.11

tabbed by Florent
<http://>

i just tabbed the break part, i mean the acoustic part.
it's a really cool riff, and you can figure the bass out
easily...

that's all, i play this with a classical guitar, normal
tuning.
play this near the strings are tied, not from the machine
heads
side the other side, you will have the same sound.
