

# Sérgio Mendes - Constant Rain

tom:  
Intro: Dm Am7  
Chove Chuva  
Constant is the rain  
Chove Chuva  
Endless is the pain  
Chove Chove Chove Chuva  
Endless is the pain  
As I stand here and remember  
When once our hearts were one  
And everyday was spring to me  
To be loved  
And to go on the sun  
Dm  
Now the days are lonely

## Acordes

The song of love is still  
They say that I will forget you  
But I say I never will  
And it hurts with such a pain  
To be alone and lonely in the rain  
And it hurts with such a pain to be  
Alone and lonely in the rain  
Chove Chuva  
Constant is the rain  
Chove Chuva  
Endless is the pain  
Chove Chove Chove Chuva  
Endless is the pain  
Endless is the pain
