

# Sérgio Mendes - Funny You Should Say That

tom:

Intro: **Bbm** **Bbm** **Bbm** **Bbm** **Bbm** **Bbm** **Gb** **F7**

I got up early this morning **Ebm**  
**Db** **Eb**  
I guess I just couldn't sleep  
**Gb** **Ab** **Fm**  
All my arrangements are made  
**Bbm** **Ebm**  
I've got appointments to keep  
**F7** **Ebm**  
But tables and chairs are covered  
**Db** **Eb**  
I took our name off the door  
**Gb** **Ab** **Fm**  
That's what you told me to do  
**Bbm** **Gb** **F7**  
But you can't carry it through anymore

**Bbm** **Ebm** **Fm**  
Funny you should say that, baby  
**Bbm** **Ebm** **Fm**  
Tell me, did you read my mind  
**Bbm** **Ebm** **Fm**  
Funny you should say that, baby  
**Gb** **Ab7** **Db**  
That's how I felt all the time

**Ebm**  
I'd like to make a confession

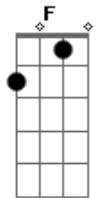

**Db** **Eb**  
I haven't always been fair, no  
**Gb** **Ab** **Fm**  
Sometimes I think of myself  
**Bbm** **Ebm**  
Before I notice you there

**F7** **Ebm**  
Well, I could wait for a taxi  
**Db** **Eb**  
Tell him I didn't call  
**Gb** **Ab** **Fm**  
That's what you want me to do  
**Bbm** **Gb** **F7**  
If I can stay here with you after all

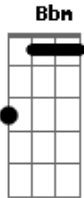

**Bbm** **Ebm** **Fm**  
Funny you should say that, baby  
**Bbm** **Ebm** **Fm**  
Tell me, did you read my mind  
**Bbm** **Ebm** **Fm**  
Funny you should say that, baby  
**Gb** **Ab7** **Db**  
That's how I felt all the time

**Bbm** **Ebm** **Fm**  
Funny you should say that, baby  
**Bbm** **Ebm** **Fm**  
Tell me, did you read my mind  
**Bbm** **Ebm** **Fm**  
Funny you should say that, baby  
**Gb** **Ab7** **Db**  
That's how I felt all the time
