

# Sergio Sachi - Descoberta

tom:

**Dm**

Era um dia tão lindo **Bb**

E eu não sabia onde **A7**

E nem como cantar **Dm**

Era eu caminhando **Bb**

Assim como a jangada **A7**

No balanço do mar **Dm**

Era um sol tão bonito **Bb**

E minhas mãos não sabiam **A7**

Que podiam tocar **Dm**

Era um sol tão brilhante **Bb**

E eu nem mesmo sabia **A7**

Que podia enxergar **Dm**

**Dm** **Dm**

Eu estava só **Bb** **C7**

Na noite do silêncio **Gm** **Fm**

Sem brilho de estrelas **D**

A iluminar **Eb** **Gm**

No canto, só lamento **D** **E**

Viola emudecida **A** **Dadd9** **A E7 A7**

Era só medo no olhar

Era a solidão **Bb** **C7**

A me acompanhar **Gm** **Fm**

E a sombra da angústia **D**

De não saber **Eb** **Gm**

De me sentir ausente **D** **E**

Disperso em minha história **A** **Dadd9** **A E7 A7**

Sem sonho algum pra contar

**Dm** **Dm**

Hoje eu quero ter **Bb** **C7**

Nos olhos a clareza **Gm** **Fm**

Ao longo dessa estrada **D**

A percorrer **Eb** **Gm**

E ver a realidade **D** **E**

Sem mitos, sem mistérios **A** **Dadd9** **A E7 A7**

Quero o mundo viver

**Dm** **Dm**

Tantos ainda esperam **Bb** **C7**

Nas aldeias, na agonia **Gm** **Fm**

No silêncio adormecido **D**

Dos corações **Eb** **Gm**

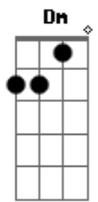

Muitos, só esperam **D** **E**

Inertes, na neblina **A** **Dadd9** **A**

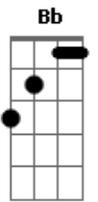

Um Sol imenso brilhar

[Final] **E7** **A7** **Dm**
