

Sérgio Santos - Olorum

Tom: D

Por que padece tanto
 O povo de olorum?
 Quando eu pergunto a zâmbi
 Não tem eco algum
 Por que tanto amargor?
 Por quê me diz xangô
 Ô justiceiro
 Por que que ele é sofredor?

Por que que a paz não chega
 Ao coração nagô
 Quando pergunto escuto
 Seu batacotô
 Por que que o baticum
 Me diga agora ogum
 Santo guerreiro
 Tem que ser de lutador?

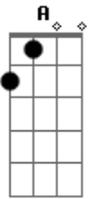

Bm Em A7

Por que que diz que o preto que é de cor
 Por que que o kêtú tem que ter sinhô
 Olorum, oxalá, zambi ô
 Por que que o banto quer cantar o amor
 E o canto é de dor?

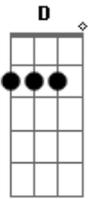

Por que que a paz não chega
 Ao coração nagô
 Quando pergunto escuto
 Seu batacotô
 Por que que o baticum
 Me diga agora ogum
 Santo guerreiro
 Tem que ser de lutador?

Por que que diz que o preto que é de cor
 Por que que o kêtú tem que ter sinhô
 Olorum, oxalá, zambi ô
 Por que que o banto quer cantar o amor
 E o canto é de dor?
