(lyrics)  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie

My baby, my baby,  
Let me know  
Because you love me, you love me  
Let me go  
And you're my lover, you pay me  
Twice my size  
And on you knees  
You lay in my thighs,

Take my hand and let's end it all,  
She broke her little bones  
On the boulders below,  
Take my hand and let's end it all,

My baby, my baby  
Let me go,  
And if you love me, you love me,  
Let me go,  
Cause i'm you brother, your brother,

Have some pride,  
And now you love me, you love me  
Then die tonight

Take my hand and let's end it all,  
She broke her little bones  
On the boulders below,  
Take my hand and let's end it all,  
Broke her little bones  
On the boulders below,  
And while she fell i delightfully said,

Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie

She took my hand and i let her go  
She broke her little bones  
On the boulders below,  
Took my hand and she ended it all,  
Broke her little bones on  
The boulders below  
And while she fell, i smiled.

Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie
