

Set It Off - Why Worry

Tom: C

Am
This sinking feeling sets

F
It feels just like a hole inside your chest

F
I know you're thinking

Am
No, no, no, no, it is easier said than done

F
But please let me attest

F
I know it's hard

Am
You're feeling like you're trapped

Am
But that's how you react

F
When you cannot see the light

F
But try and see the light

F
I'm telling you

Am
No, no, no, no

Am
You're the only one

Am
Standing in your way

F E
Just take a breath, relax, and tell me

F C
Why?

G Am
Please tell me why do we worry?

F C
Why?

G Am
Why do we worry at all?

F C
Why?

G Am
Just tell me why do we worry?

F E Am
When worry is never helping tell me why worry at all?

Am
Why do we insist

F
On crossing bridges that do not exist?

F
Let's take these issues

Am
Step by step by step, to work it out

Am F
Day by day by day we're falling down

F
But life goes on

F
I've got some questions

Am
Are you sick of feeling' sorry?

(Uh huh)

Am
And people saying not to worry?

(Uh huh)

F
Sick of hearing this hakuna matata motto

From people who won the lotto

F

We're not that lucky

Am
Have you noticed that you're breathing?

(Uh huh)

Am
Look around and count your blessings

(Uh huh)

F
So when you're sick of all this stressing and guessing I'm suggesting

E
you turn this up and let them hear you sing it

F C
Why?

G Am
Please tell me why do we worry?

F C
Why?

G Am
Why do we worry at all?

F C
Why?

G Am
Just tell me why do we worry?

F E Am
When worry is never helping tell me why worry at all?

Am F
Chin up, quit actin' like you're half dead

Am
Tears can only half fill how you're feeling

F
Don't worry, be happy baby

Am F
Stand up, life is too damn short

That clock is ticking

F
Man up, if you feel me

Everybody sing it

F C
Why?

G Am
Please tell me why do we worry?

F C
Why?

G Am
Why do we worry at all?

F C
Why?

G Am
Just tell me why do we worry?

F E
When worry is never helping tell me why worry at all?

F C
Why?

G Am
Please tell me why do we worry?

F C
Why?

G Am
Why do we worry at all?

F C
Why?

G Am
Just tell me why do we worry?

F E
When worry is never helping tell me

E
I'm not buying what they're selling

F E Am
So if worry's never helping tell me why why worry at all?
