

Sevendust - Redefine Intro

Tom: **C**

this is my first tab, but im completely positive that this is right, its an awesome song and not too difficult to play... this is just the intro, for timing, just listen to the song

Riff 1

Riff 2

Riff 3

arrangement
riff 1 (x2)
riff 2 (x1)
riff 3 (x2)
once the verse starts, play riff 3 again 3 more times, that takes you up to the pre-chorus

if u have questions or anything about the tab or anything else, then my email is
