 Smoke, I stepped out for a smoke

 Old vibrations, familiar faces, it's Hollywood of all the  
 goddamn places

**Em**  
 I pour my soul inside my cup and drink myself to sleep  
**G**  
 If I make it through the night, then it's a sweet dream  
**D**  
 I got demons, devils calling me

## Acordes

**Am**  
 Play by the gutter, covered in dirt, got it all  
**Am**  
 Over me

 I'm sipping on whiskey, I'm feeling it now  
**Em**  
 Tell momma I'm sorry for letting her down  
**G**  
 Was looking for commas, nowhere to be found  
**G**  
 No deep in my gut, then it coming around  
**D**  
 My Chevy was stuck in the pound  
**D**  
 I didn't have money to go get it out

 Remember I needed favors  
**Am**  
 Now I don't need a savior
