Finally I've found someone
That I can build my world around

And speaking honestly

There could never be

No-one but you

Happiness is what you bring
And I just can't help wondering

If all that's magical ends
G7M
Like a fairytale happily
Am7 **D7**
And given time to reminisce
Am7 **D7**
Lingering on love's sweet kiss

Living in you, in you

There's a certain light
Shining in your eyes
Gm **F**
And love within
G7M
Your perfect smile

I just wanna shout it out
And tell me the world
Gm7
What all this love's about
Gm
And that I appreciate
Fadd9
The power you create
