

Shakira - Animal City

Tom: A

Gbm
 Why do all my friends
 Now want to be your lovers?
D
 Your family got bigger
Db
 When they thought you were rich
Gbm
 And now like maniacs
D
 They scratch your back
Db
 Even when it doesn't itch

Gbm
 I want to figure it all
 I want to figure it all out
 I want to save you from
 Save you from all that's vain
D **Db**
 Save you from the things that cause us pain

Gbm
 'Cause it's an animal city
 It's a cannibal world
E
 So be obedient, don't argue
B
 Some are ready to fight you
Gbm
 It's an animal city
 It's a cannibal world
E
 So be obedient, don't argue
B
 Some are ready to bite you, my love

Gbm
 They believe you now
 Have everything you wanted
D
 And once you have become a star
Db
 You got no right to, bitch
Gbm
 But someday when you fail
 They'll put you on sale
D **Db**
 And buy you by the inch

Gbm
 But you're the real deal
 And "real" is your middle name
 You know sometimes I feel

I gotta earn every breath you take
D **Db**
 Baby, never mind the rules we break

Gbm
 'Cause it's an animal city
 It's a cannibal world
E
 So be obedient, don't argue
B
 Some are ready to bite you
Gbm
 It's an animal city
 It's a cannibal world
E
 So be obedient, don't argue
B
 Some are ready to rip you right off

D
 With you I feel safe
Db
 There's nothing to fear from us
D
 Away from the fangs
Db
 The fangs of the world
D
 I may be a coward, but you are brave
Db
 And nothing seems so dangerous

Gbm
 'Cause it's an animal city
 It's a cannibal world
E
 So be obedient, don't argue
B
 Some are ready to fight you
Gbm
 It's an animal city
 It's a cannibal world
E
 So be obedient, don't argue
B
 Some are ready to bite you, my love

Gbm
 Cannibal world
 Cannibal world
 Cannibal world
 Cannibal world

E
 So be obedient, don't argue
B
 Some are ready to bite you, my love
