

Shakira - Poem to a horse

Tom: **D**
Intro: **Bm G D A**

Bm
You're too far to bring you across
Too high to see below
Just hanging on your daily dose
A - Bm
And you never needed anyone
But they're rolling papers for your grass
How can you give what you don't have?
PUENTE (UTILIZAR QUINTAS)
D
You keep on aiming for the top
E
And quit before you sweat a drop
G A
Feed your empty brain with your hydroponic pot
D
You start out playing with yourself
E
You get more fun within your shell
G A
Nice to meet you but I gotta go my way
CORO
Bm G
I leave again
D A
Cuz I've been waiting in vain
Bm G D A
But you're so in love with yourself
Bm G
If I say my heart is sore
D A
Sounds like a cheap metaphor
Bm G D A

So I won't repeat it no more

ESTROFA

Bm
I'd rather eat my soup with a fork
Or drive a cab to New York
Cuz to talk to you is harder work
A Bm
So what's the point of wasting all my words
If it's just the same or even worse
Than reading poems to a horse
PUENTE (UTILIZAR QUINTAS)
D

G A
Feed your empty brain with your hydroponic pot
D
I bet you'll find someone like you
E
Cuz there's a foot for every shoe
G A
I wish you luck but I've got other things to do
CORO
