Shakira - Poem to a horse

Intro: Bm G D A Rm You're too far to bring you across Too high to see below Just hanging on your daily dose A - Bm And you never needed anyone But they're rolling papers for your grass How can you give what you don't have? PUENTE (UTILIZAR QUINTAS) You keep on aiming for the top And quit before you sweat a drop Feed your empty brain with your hydroponic pot You start out playing with yourself You get more fun within your shell Nice to meet you but I gotta go my way COR0 Bm I leave again Cuz I've been waiting in vain Bm G D A But you're so in love with yourself G If I say my heart is sore Α Sounds like a cheap metaphor Bm G D A

So I won't repeat it no more

Rm

I'd rather eat my soup with a fork Or drive a cab to New York Cuz to talk to you is harder work A Rm So what's the point of wasting all my words If it's just the same or even worse Than reading poems to a horse PUENTE (UTILIZAR QUINTAS) You keep on aiming for the top And quit before you sweat a drop Feed your empty brain with your hydroponic pot I bet you'll find someone like you Cuz there's a foot for every shoe I wish you luck but I've got other things to do COR0 Bm I leave again D Cuz I've been waiting in vain Bm G D A But you're so in love with yourself G If I say my heart is sore D Sounds like a cheap metaphor Bm G D A So I won't repeat it no more
