1- Verso
                                                              That you'll live Lost in my eyes
Dbm
Lucky you were born that far away so
                                                              Dbm
                                                              When_ever_, wher_ever_ We'll learn to be together
So we could both make fun of distance
                                                                                                Gbm
                                                              I'll be there and you'll be near And that's the deal my dear
Lucky that I love a foreign land for
The lucky fact of your existence
