# Shaman - Born To Be

Tom: G

```
            Bm      G       D
I looked inside me
 Bb
To find myself
Bm      G       D
To purify me
 Bb
To cease the pain
Bm      G       D
Across that river
 Bb
A life goes by
Bm      G       D
Look inside the mirror
Bb   C
And you will find out

( G  Bm  A )

Bm      G       Em      A
In solitude I was born
Em      Gbm     G       Bm      A
It terrified me
Bm      D       Bm      A
A veil of mist right before my eyes

Bm      G       D
I walked in shadows
  Bb
I drowned in rain
Bm      G       D
I met the desert
  Bb
'Cause I'm born again
Bm      G       D
Across that river
 Bb
A life goes by
Bm      G       D
Look inside the mirror
Bb   C
And you will find out

( G  Bm  A )

Bm      G       Em      A
In solitude I was born
Em      Gbm     G       Bm      A
It crucified me
Bm      D       Bm      A
Wearing the crown of thorns I am

Bm      Gbm
Freedom!
E   Bm
Born to be a man
Gbm
Emptiness!
E  Bm
Made me understand
G       Em      Gbm
What lay hidden deep within
Bm     Gbm      E       Bm
I am free now, born to be a man
Gbm     E   Bm
Deadliness! Brushed away the sand
G       Em   Bm
From what's hidden deep within
G       Em    Gb
Shapeless dream without a name
G       Em     Bm       A
Wrapped in frozen layers of life
G       Em     Gb
Sings the song of what we all are
```
