

# Shane and Shane - You Loved My Heart To Death

tom: D

Intro: Bm

[Primeira Parte]

It's taken me some time to be-lieve

That when You said: It's done

That's what You mean

That when they drove the nails through Your hands

You did not re-cant

You didn't take it back

[Refrão]

I drank the cup of death

It's running through my veins

I chose my pride instead

Of the glory of Your na\_\_\_\_me

All the wrath of God that I

De-serve with every breath

Fell u-pon Him

And He loved my heart to death

( D A D )

[Segunda Parte]

It's taken me some time to be-lieve

There'll never come a day

That You'll ever leave

That when I drive the nails through Your hands

You do not re-cant

You never take it back

[Refrão]
