

Shane and Shane - You've Already Won

```
I'm fighting a battle
                               tom:
Intro: C F C Am7
F C C
F C Am7 F C
                                                                     That you?vê already won
Am7 G F7M C
No matter what comes my way
                                                                          Am7 G
                                                                     I will over-come C F
[Primeira Parte]
                                                                     Don?t know what your doing
There?s peace that outlasts darkness
                                                                     But I know what you?vê done
Am7 G F7M
I'm fighting a battle that
G C
Hope that's in the blood

Am7 G F C
There?s future grace that's mine to-day
                                                                     You?vê already won
That Jesus Christ has won
                                                                     ( C C )
[Segunda Parte]
                                                                     [Ponte 1]
So I can face tomorrow
                                                                     I know how the story ends
For to-morrow?s in Your hands
Am7 G F C
All I need you will pro-vide
F G C F G
Just like you always have
                                                                     We will be with you again
                                                                     You're my Savior, my de-fense
                                                                     No more fear in life or death
[Refrão 1]
                                                                     [Ponte 2]
                                                                                    F
 I'm fighting a battle
                                                                     I know how the story ends
Am7 F C
 That you?vê already won
                                                                     We will be with you a-gain
Am7 G Fma79
 No matter what comes my way
                                                                     You're my Savior, my de-fense
Am7 F C
     Am7 G
I will over-come C F2
                                                                     No more fear in life or death
Don?t know what your doing C G
                                                                     C F C
                                                                     I know how the story ends
Am7 F C
 But I know what you?vê done
                                                                     We will be with you a-gain
Am7 G F7M
I'm fighting a battle that G C
                                                                     C F C
You're my Savior, my de-fense
You?vê already won
                                                                     No more fear in life or death
(FCAm7FC)
                                                                     I know how this story ends
[Terceira Parte]
                                                                     [Refrão 3]
There?s mercy in the waiting
                                                                     I'm fighting a battle You've already won Am7 G F7M C
Mana for to-day
                                                                      No matter what comes my way
 Am7 G
And when it?s gone I know you?re not
                                                                        Am7 G
                                                                     I will over-come
You are my hope and stay
                                                                     Don't know what You're doing C
[Quarta Parte]
                                                                       But I know what you've done
                                                                     Am7 G F7M G
                                                                     I'm fighting a battle You've already won C F7M G C
When the sea is raging, Your Spirt is my help $\operatorname{Am7}$ G {\operatorname{F}} C
He?ll fix my eyes on Jesus Christ F G C
                                                                        I'm fighting a battle You've already won
I?ll say that is well \mathbf{F} \mathbf{G} \mathbf{C}
                                                                     [Final] F C Am7 F C F C Am7 F C
Oh I know that it is well
