

Shania Twain - Dance With the One That Brought You

Tom: C
Intro: C Bb F C

Well he shines like a penny in a little kid's hand
When he's out on a Saturday night
He's a real go-getter and the best two-stepper you'll see
But when I'm sitting alone at a table for two
Cause he's already out on the floor
I think about something that my mama used to say to me
Chorus: You got to dance with the one that brought you
Stay with the one that wants you
The one who's gonna love you when all of the others go
Don't let the green grass fool you
Don't let the moon get to you
Dance with the one who brought you and you can't go
He's got his old best buddies and his new best friends

And the girls all give him the eye
He's a good time Charlie and the life of the party tonight
But when I think about another well I don't think twice
Cause there'll never be another like him
I know he really loves me and I think maybe that mama was right
Chorus
You got to dance with the one that brought you
Stay with the one that wants you
The one who's gonna love you when all of the others go
Don't let the green grass fool you
Don't let the moon get to you
Dance with the one who brought you and you can't go
Dance with the one who brought you and you can't go
