

## Shania Twain - I'm Not In The Mood (To Say No)

```
Intro: (B Dbm E) 2x
                                                                    Jump right in and jam it
               Dhm
                                                                    No need to say no, oh, oh, oh
   Don't wanna wait in line, uh, uh
                                                                     (I'm not in the mood) I'm not in the mood
   It's such a waste of time, uh, uh, uh
                                                                     (I'm not in the mood) To be shy,
           Dbm
  Won't find me on the couch, uh, uh
                                                                     to stand by and not give it a try
   Sleepin' like a slouch, uh, uh, uh
                                                                           Ε
                                                                    No, I'm not in the mood
   I don't like sittin' down doin' nothin'
                                                                     (I'm not in the mood) To stay home,
   I'd rather spend my time doin' somethin'
                                                                    be alone, face the night on my own
   Ain't no need to plan it
                                                                           Dbm
                                                                    No, I'm not in the mood (to say) -
   Jump right in and jam it
                                                                    to say - (to say) - to say no!
  No need to say no, oh, oh, oh
                                                                    Violin Solo (guitar tacet)
                                                                   Uh, uh, mmmm
   (I'm not in the mood) I'm not in the mood
                                                                    Ha, ha
   (I'm not in the mood) To be shy,
                                                                   I'm jumpin' right in
                                                                   Oh, yeah, huh
   to stand by and not give it a try
                                                                 Jumpin' right in
Solo - (B Dbm E ) 2x
  No, I'm not in the mood
   (I'm not in the mood) To stay home,
                                                                    Uh, I'd rather spend my time doin' somethin'
                   Α
                               Gbm
   be alone, face the night on \ensuremath{\mathsf{my}} \ensuremath{\mathsf{own}}
                                                                    I won't be sittin' 'round doin' nothin'
         Dbm
                          Е
   No, I'm not in the mood (to say) -
                                                                    Ain't no need to plan it
  to say - (to say) - to say no!
                                                                    Jump right in and jam it
  Violin solo (guitar tacet)
                                                                    No need to say no, oh, oh, oh
   I won't be layin' low, uh, uh
                                                                     (I'm not in the mood) I'm not in the mood
                   Dbm
                                                                     (I'm not in the mood) To be shy,
   It's not my style to take it slow, uh, uh, uh
          Dbm
   No, it ain't like me to slack, uh, uh
                                                                    to stand by and not give it a try
                    Dbm
                                                                           Е
  There's no time for holdin' back, uh, uh, uh
                                                                    No, I'm not in the mood
   I won't be sittin' down doin' nothin'
                                                                     (I'm not in the mood) To stay home,
   I'd rather spend my time doin' somethin'
                                                                    be alone, face the night on my own
                                                                           Dbm
   Ain't no need to plan it
                                                                    No, I'm not in the mood (to say) -
                                                                    to say -(to say) -to say no!
Acordes
                    В
                                               Abn
```
