I woke up to find the earth was round one day  
Em G Am  
And all around the world now, things began to change  
Em G Am  
Never had I ever seen the sun  
Em G Am  
Rise that way above the day to greet the dawn

And the earth shook beneath my feet  
Bm C Em  
Bm C Em  
And the storm raged through the night  
Bm C Em  
And I lost all that I had won  
Am  
Oh but I flowed like the river

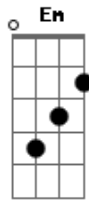

Em G Am  
Flow o o o ohh  
Em G Am  
Flow wo wo ooh

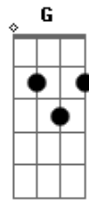

Em G Am  
So you think you got it all figured out  
Em G Am  
All this money in the bank and women all about  
Em G Am  
Well now whatcha gonna do when your ship starts to sink?  
Em G Am  
Caught in a monstrous sea and you won't be able to think

Yeah and it's there you'll learn what I know
