

# Shawn James - Love Will Find a Way I

tom:

Intro: Am Em Am E

Am Em Am  
I was only five when my father died

Am Em Am  
And I feel like a part of me with him lies

Am Em Am  
With a drink in his hand, he bid the world farewell

Am Em Am  
Such a waste of a life on just a little thrill

( Am Em Am Am Em Am Am Em )

Am Em  
In my younger days

Am Am Em Am Am  
I never could find a light to guide my way

Am Am  
Now I know I was only hiding

Am Em Am

In the shadow of his vast mistakes

Dm Am G Dm Am G  
But the blood that filled his veins flows through mine

Dm Am G  
It's not that I'm ashamed

Dm Am G Am Em Am  
But how can I redefine how your story ends

Am Em Am  
How your story ends

Am Em Am  
I always thought that you'd be there

Am Em Am  
Through the ups and downs but then you were gone

Am Em Am  
I never found a place to go where I'd belong

Am Em Am  
But it's alright since it made me strong

Dm Am G Dm Am G  
The blood that filled his veins flows through mine

Dm Am G Dm Am G  
I'll take all the pain and turn it into something divine

## Acordes
