

Shawn James - Pendulum Swing

Tom: C

Intro: F Am Am

F Am Am
Gotta get out of this town

F Am Am
Been feeling that way ever since my feet touched this cursed ground

F Am Am
I made it so I couldn't even stand

F Am Am
With the help of this bottle in my hand

F Am Am
I stumbled around like a drunken fool

F Am Am
Too blind to see that I was just being used like a throwaway tool

F Am Am
In those hard times there was pain

F Am Am
But I found that a hard lesson learned is wisdom gained

F Am G C
Cause though I may fall down with the sun

F Am
You better know that I'm not done

Am Am G C G G G7
Cause I'll rise up with the morning light

Am G C F Am

Just because I fall, it don't mean I've lost it all

Am Am G C G Am

It's all apart of the pendulum swing

(F Am Am)

F Am Am
Well it might be you're down on your luck

F Am Am
Fallen on hard times, maybe given up

F Am Am
She did it thousand times before

F Am Am
You shouldn't worry, there are such great things in store

F Am G C
Cause though we may fall down with the sun

F Am
You better know that we're not done

Am Am G C G G G7
Cause we'll rise up with the morning light

Am G C F Am
Just because we fall, it don't mean we've lost it all

Am Am G C G Am
It's all apart of the pendulum swing

Am G C G Am
It's all apart of the pendulum swing

Am G C G Am
It's all apart of the pendulum swing
