^{Em}When does it get quiet?
^{Am}Time was supposed to extinguish the desire
^{Am}But the embers won't snuff out
^{Em}Haunted by your smiles
^{B7}The mask keeps getting heavier
^{Am}One step forward, two steps back

^{Am}There's a noose round my neck and the further I get
^GIt's harder & harder to breathe
^{Am}Can I find a way to cut the rope?
^{Am}I've been waiting for dawn
^{B7}But the light is all gone
^GDon't know if I'm already blind
^{Am}Can I leave it all behind?

(^{Em}Em ^{Am}Am ^{B7}B7)

^{Em}What's it really for if it's not yours and it's not mine?
^{Em}This victory is not what I hoped for
^{Em}How was I to know that everything would end up like this?
^{Am}Survival of the fittest of sorts

^{Am}So I've become the bringer of death
^{B7}A lover of life
^GThe one who guards from the dark of the night
^{Gb4}I'll be the hammer of war
^{Em}Justice and mercy don't live side by side
^{Am}So in retribution I abide
^GI'll tip the scales to justice's end
^{Gb4}but can it make amends?

(^{Em}Em ^{Am}Am ^{B7}B7 ^GG ^{Gb4}Gb4)
(^{Em}Em ^{Am}Am ^{B7}B7)

^{Em}Kill or be killed
^{Am}What a way to live & die
^{Am}I just can't see this cycle ever ending
^{B7}How can I correct the damage done
^GWhen I can't feel the consequences of my recourse

^{Am}So I've become the bringer of death
^{B7}A lover of life
^GThe one who guards from the dark of the night
^{Gb4}I'll be the hammer of war
^{Em}I've been waiting for dawn
^{B7}But the light is all gone
^GDon't know if I'm already blind
^{Gb4}Can I leave it all behind?
