

# Shawn McDonald - Free

Tom: **E**

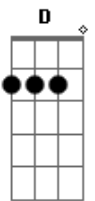

**E**  
**D**  
 I feel like the weight of the world is all - crashing down on me  
**Dbm**  
**B**  
 And some how I just don't believe this how - it is suppose to be  
**E**  
 And all this expectation on - the way I'm suppose to live  
**Dbm**  
 Becomes my minds distraction - with nothing left to give  
**Gbm**  
**B**  
 You said your burden is light and your load - is no more  
**Dbm**  
 You said your ways are right and in you I would soar  
**B**  
**E**  
 I want to be free - free to dance and free to sing  
**B**  
 Free to live and love and free

**E**  
 Oh, free to be me  
**E**  
 I feel like my heart is being beat - down into the ground  
**Dbm**  
 In you I'm longing for some peace - to be found  
**E**  
 I know the heaviness that's - making me cold  
**Dbm**  
 Is stealing my youthful soul and - making me old  
**Gbm**  
**B**  
 You said your burden is light and your load - is no more  
**Dbm**  
 You said your ways are right and in you I would soar  
**B**  
**E**  
 I want to be free - free to dance and free to sing  
**B**  
 Free to live and love and free  
**E**  
 Oh, free to be me
