Warm me up inside

'Cause when You are around

I am found

A wandering weary son

Gone in search of something beautiful  
**D D**

**Bm D**  
It's a cold winter  
**Bm A D**  
Cold winter day

The world is full of lies  
**D D**  
That will only rob you blind

And steal away your time

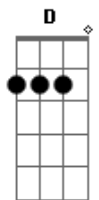

**Bm D**  
It's a cold winter  
**Bm A D**  
Cold winter day

**Bm Dbm**  
Warm me up inside  
**G A**  
And let Your face from me not hide  
**Bm Dbm**  
'Cause You are what I long to find  
**G Bm D**  
To melt this cold heart of mine  
**A**  
'Cause when You are around  
**D**  
I am found
