

# Shawn Mendes - 24 Hours

tom:  
Capo: 3ª casa  
Intro: G Em G Gm Fm

[Refrão]

All it'd take is 24 hours  
Sign the check and the place is ours

But I want to come home to you

[Primeira Parte]

I don't know, how this will go

I'll bet it all on me and you  
I'll bet it all, you're bulletproof  
Let's throw away, our backup plans  
And people might not understand  
Who cares about what they approve  
I'll face them all to be with you

[Refrão]

All it'd take is 24 hours  
Sign the check and the place is ours

But I wanna come home to you  
All it'd take is 24 hours  
We could dance, you could throw the flowers

But I want to come home to you

[Segunda Parte]

I heard that once a wise man said

"Only fools go rushing in"  
But I'm not the type to overthink  
When something feels so right  
And I promise I mean every word  
I'll paint the world that you deserve  
Every color you'd imagine  
I can't wait for it to happen 'cause

[Refrão]

All it'd take is 24 hours  
Sign the check and the place is ours  
But I want to come home to you  
All it'd take is 24 hours  
We could dance, you could throw the flowers

But I want to come home to you

[Terceira Parte]

I heard that once a wise man said  
"Only fools go rushing in"  
But I'm not the type (I'm not the type), to overthink  
I'm not the type to overthink

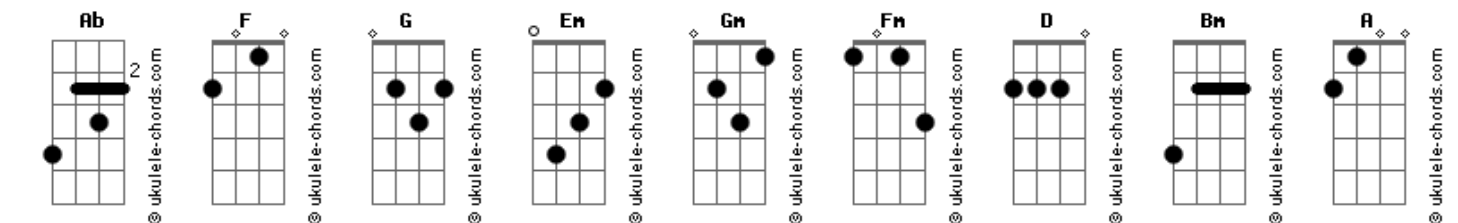

[Refrão]

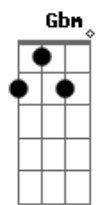

All it'd take is 24 hours  
Sign the check and the place is ours

But I want to come home to you  
All it'd take is 24 hours  
Sign the check and the place is ours

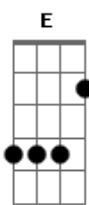

But I want to come home to you
